THE SUSTAINABILITY CERTIFICATION FOR HOTELS

GreenSign Institut is a renowned certification company for corporate sustainability. Based on over 130 criteria, we assess the holistic sustainability of companies and act as a supporting partner in the ongoing development process.

YOUR ADDED VALUE

CERTIFICATION PROCESS

1. Submission of application
2. Self-evaluation
3. Audit

CATALOG OF CRITERIA

Based on frameworks:
ISO 14001, ISO 26000, EMAS, 17 SDGs

The GreenSign Hotel certification is GSTC recognized

OUR EVALUATION SYSTEM

Once the audit has been completed, the hotel's sustainability performance is transparently presented both overall and in the individual core areas based on the degree of conformity.

The degree of conformity ranges from a minimum of 50% to a maximum of 100%.
